Dr. Ummappa Poojary P.President - AMUCT

Of Aspirations and Commitments.....

"Coming together is a beginning; keeping together is progress; working together is success."

—Henry Ford

"The best way to limit your accomplishments is to try doing everything yourself. But when you work with others, you multiply your effectiveness." It is true, more often, "lone rangers" tire before they triumph. A team of two will accomplish three times more than two individuals. This is the spirit behind working together. 'Educate to be free, Organise to be strong' is the saying which tell us about the importance of education and coming together. This is more relevant in the case of teachers' movement and teachers' organization. Apart from the differences, there is a need for strong teacher movement in the country. Only strong and genuine teachers' movement can save education in this country. People at the helm of affairs are doing more harm nowa day than contributing to the cause of education. The recent decision of scrapping UGC and restructuring it as per their whims and fancies, granting autonomy to the institutions/eminence status of their choice rather than based on quality standards do more harm than

improving the standards of HEIs.

After a very long struggle the central UGC 7th pay commission recommendations were announced by the government. But it is very sad to note that most of the recommendations were altered by the MHRD as against the aspirations and expectations of the University and College Teachers. Majority of the colleges and universities of the country are run with the help of adhoc/contractual/guest and part time teachers. Neither MHRD nor UGC is showing any concern into their service conditions and pay scales. Unless and until this issue is properly addressed, expecting quality in higher education is not justifiable. UGC and MHRD should come out with a concrete policy for these teachers, so that they feel encouraged to offer their committed service in the field.

The backbone of any society is education. In a large country like India education still now remains elusive to the large majority of the population. Much effort and time are spent in trying to understand the failure of education to reach the masses. Despite all the loopholes, some progress has been made in school education through the concept of RTE.Education system in general and higher education in particular is confronted with multifarious challenges today unheard of the past. The process of dismantling of public funded educational structure has taken serious dimension.

The situation at the state level is still worst. Most of the Universities run with the help of in-charge Vice chancellors, Colleges with In-charge Principals. Higher Education Institutions are without leaders. People without quality and qualifications become leaders of our HEIs due to wrong policies and political motives behind everything. The anomalies and pending arrears of 6th UGC Pay scales have not been settled in the state even after the announcement of the 7th Pay Scales, which happens once in 10 years. Even for getting regular salary, increments, placements etc., teachers associations should bring pressure on top officials. The practice of issuing orders and circulars as against their own earlier orders or circulars is happening only in collegiate education department than in other departments. This is the mockery of our administration.

During last two years we could achieve; timely meetings, regular contacts with members, use of information technology, contact and interaction with state and national leaders, department officials, time-to-time suggestions and interaction with University officials about academic matters, release of UGC and other arrears etc. Still there are issues to be resolved.

During my association with teacher movement for last two and half decades and being the president of AMUCT for two terms, I was supported by the team around me who used to encourage with the words "go ahead we are with you" and cautioned me with the words "stop, don't do it, it is not proper". I thank all of them. If at all I could grow, it is because of AMUCT and teachers' movement. The reputation, name, fame everything is from AMUCT. During my journey in AMUCT, I also learnt a lot of lessons. With lots of gratitude I express a 'big thank you' for being with me in AMUCT.

This AGM is intended to create a forum to raise several burning issues. Let us join hands to strengthen our movement. I always believe in "working together works" It is the senior AMUCT leaders, past and present office bearers and our esteemed members who made us to work. Without their endless cooperation, support and encouragement we would not have been able to travel this distance.

"Alone we can doso little; together we can do so much" –Helen Keller

Let us work together to strengthen ourselves.

Editorial

In India as higher education systems are growing and diversifying, the society is ever more concerned about the quality of courses. Obviously, the people look out for the public assessments. national and international rankings of higher education institutions. I believe that opportunities for such holistic development are improving in India. Facilities for the same are becoming easily accessible although not in all parts of the country. Due to the ICT enabled classrooms, starting from the lower classes, technology has become very handy for the aspiring learners today. In many colleges across the country they have introduced online courses also. Of course, there was lack of information about the ICT in the earlier days, but today it is not the same as libraries of the most premier institutes are getting digitalized. Likewise, ICT has become the part and parcel of today's education.

Higher education is extremely diverse and the challenges and issues faced by higher education institutions are just as diverse. The process of education is not merely digesting books especially in the present world. It is also about doing several co-curricular and extra-curricular activities that give a broader meaning to education and life. Of course, the role of a teacher is more important in shaping the future of the aspiring youth. The teacher needs to take

interest in guiding the students towards developing their individual skills that lead them to a meaningful destination. Primarily, the teacher needs to provide sufficient information of a relative skill that helps students to explore themselves and achieve their goal. Again, the very basic thing that a teacher can do in class is to help them to overcome their inhibitions, and motivate them towards skill development. Strengthening their confidence by showing care and concern helps the students to evolve into skill oriented personalities. Likewise, there is the need to enhance the skills of the learners and the classrooms should be learner centric. The teachers have to see that the students somehow manage to come out of the valleys of doubt and the winters of low inspiration. We have to identify the summits of boundless creativity in the students and this journey will be self satisfying if we could feel that our efforts transform the students as expected.

There are certain aspects that deserve immediate attention of all those who are connected to higher education. There is the need for most of the Indian Higher education institutions to be connected to research centers, industries and MNCs. Organizing regular campus recruitment drives is also equally important. Likewise, management of the Indian education faces challenges of bureaucratic structures and lack of accountability, transparency, and professionalism. Of course, the educational infrastructure of India is not enough to handle such huge group of young learners. In spite of all that the government is spending in the educational sector, it is just insufficient to meet the growing requirements. Therefore, higher Education sector has now been identified as one of the promising areas for private premier institutes. Irrespective of various challenges there is fast growth in Indian higher education system. With the help of new-age learning tools like ICT, it has become easy to overcome such problems and bring a paradigm shift in the higher education system. Knowledge should be imparted using advanced digital teaching and learning tools, and at the same time society should also be made aware of where we are currently lagging behind, or moving forward. There are opportunities for premeditated engagement and capacity building in higher education in areas like development of leadership qualities, management and to collaborate at national and international level just to realize systemic reform that includes quality assurance, recognition at national and international level. Yet another essential factor is equal educational opportunities in higher education as higher education is a powerful tool to eliminate the social disparities.

Enhancing the employability of graduates is the need of the hour. Therefore, developing entrepreneurship, connection with the industry, and imparting a wide variety of transferable skills requires a serious attention. When we talk of enhancing the employability of students it includes sufficient communicative skills in English. Because English has become the lingua-franca for years, the opportunities will be multiple if our students are equipped with good command over their communicative skills especially in English. It is good that the traditional classrooms are changing onto discussion rooms. So the discussion rooms have to develop a strong interior core in the students that allows them to keep on rising towards successful leaders, entrepreneurs and more than all that they also find life self satisfying. The discussions in the rooms make the students carry remarkable talent within them and see their future filled with pure opportunity. In order to achieve all this we have develop self-discipline. In a disciplined manner lies the creativity that presents itself into high-value productivity. It means that the ideas if made into results will generate greater success. Again, this all should be done on regular basis with consistency.

There is a need to build stronger relationships and increase mutual understanding between higher education institutions through support and participation in conferences, workshops, and seminars that facilitate a healthy debate and dialogue with other institutions. Certainly these participatory tactics enrich the classroom discussions so as to bring in various teaching and learning approaches. The present time requires innovative and transformational approaches, especially at higher education level, to make our educational system globally more relevant and competitive. There is a need to focus on the graduate students by providing them such courses in which they can achieve excellence, gain deeper knowledge of subject so that they will get recruitment in the companies. There should be a multidisciplinary approach in higher education so that students' knowledge may not be restricted only to their own subjects. The process should enable students to develop an all round personality identifying the best in them.

At present, the world-class institutions are limited in India. That is because of under-investment in libraries, lack of information technology, laboratories and classrooms in many of the colleges. Due to this providing top quality instruction becomes difficult. Despite all such challenges in higher education, to tackle these challenges and to boost higher education is utmost important. As we know India is a country with huge potential human resource, there is the need to utilize this potential properly and the issue should be discussed at length. Opportunities are ample but how to get benefitted from the available opportunities and make them accessible to the aspirant students is the matter of concern. To reach and achieve the

future requirements there is an urgent need to relook at the sustainable Financial Resources, Access and Equity, Quality Standards, Relevance, infrastructure and at the end the Openness.

The editorial committee records all the achievements of AMUCT during 2017-18 under the leadership of Dr. Ummappa Poojary, President, Dr Kumara Hegde B A General Secretary, and all other office bearers.

It is our bound duty to acknowledge the great help and assistance extended by, Sri Shashikanth, assistant Professor Dept of English, S.D.M.College(Autonomous), Ujire and Dr. P. N. Udayachandra HOD, Dept of commerce, S.D.M.College (Autonomous), Ujire

ಅಮುಕ್ಕ್

- Regarding the JD office level issues: The president informed that the delay in salary disbursement for the month of January – 2018 was due to the non submission of pay bills to the office on time. And he requested the members to follow up the same at their respective colleges.
- Regarding the University related matters: The president and General Secretary briefed the members regarding the outcome of the meeting held in connection with the CBCS at Mangalore University.
- Regarding the appeal for the hike in examination remuneration, the President informed that the university has constituted a committee to look into this issue.
- In any other matters:

The President appealed the members to pay the AMUCT membership fees on time.

He also requested the members to mail the detail of teachers who attained superannuation, got PhD and other special accomplishments with a brief write up and photo, to either him or Dr. Dennis Fernandes.

The President expressed his concern over the decline in the strength of the AMUCT. He appealed the members to motivate and welcome the management members to this fold as the association is genuinely fighting for their welfare in every respect.

Dr. Parshwanath Ajri, the joint secretary has raised the issue of ten month's pending UGC arrears for which the president replied that the members can approach the Court of Law in this regard and AMUCT will facilitates the necessary assistance. After a thorough discussion it is resolved to proceed further only after consulting the members of the respective units.

Members urged to give preference to the in-service teachers in the recruitment of college teachers by the Department of Collegiate Education. The President has clarified this matter and informed that AMUCT has already wrote a letter to the DCE in this regard.

26 members have participated in the meeting.

The meeting ended with the vote of thanks by the General Secretary.

Proceedings of the 31st Annual General Body Meeting of AMUCT

Held at the Auditorium of Canara First Grade College Mangaluru on 16th July 2017

- The President Dr. Ummappa Poojary called the meeting to order, extended welcome to all the members and read the meeting agenda.
- The General Secretary Dr B A Kumar Hegde presented the proceedings of the 30th Annual General Body meeting of AMUCT held at St. Agnes College (Autonomous), Mangalore on 24th July 2016. It was unanimously approved.
- The General Secretary also presented the Annual Report of AMUCT for the year 2016-17 and got it approved by the house.
- Ms. Dejamma, Treasurer presented the statement of Audited accounts of AMUCT for the year 2016-17 and Budget for 2017-18, which was unanimously approved by the house.
- The Managing trustee Dr. Mohith Suvarna presented the report of AMUCT trust for the year 2016-17. It was approved by the house.
- Dr. Mohith Suvarna also presented the statement of Audited accounts of AMUCT trust for the year 2016-17 which was approved by the house.
- The members resolved to continue M/S Kamath and Kamath associates, Chartered accountants, Mangalore as auditors of AMUCT & AMUCT Trust for the year 2017-18.
- Mr. Dattatreya, Sri Bhuvanendra College Karkala, Dr. Vasappa Gowda, Besant evening college Mangalore, Mr. Ganesh Pai, Besant evening College Mangalore and Ms. Nayana, MSRS Shirva were unanimously elected as the trustees to the AMUCT Trust for 2017-2020.
- It was resolved to acknowledge the valuable service rendered by the outgoing trustees of AMUCT Trust with gratitude.

 Dr Herald Monis, Joint Secretary, presented the resolutions before the house and the resolutions passed are as follows:

A: RELATED TO THE DEPARTMENT OF COLLEGIATE EDUCATION:

- Resolved to strongly oppose any move by the department prescribing specific mode of dress code to the college teachers, especially women teachers.
- Resolved to request the Government through the Department Of Collegiate Education
 to fill the vacancies in aided colleges immediately with regular teachers through regular
 appointments for the vacant posts so that the well established PPP model is strengthened.
 Also resolved to request the Govt to bring new subjects/new combinations of subjects
 under grant in aid.
- Resolved to request the Government to fix minimum salary at par with at least state scale pay to the management paid/unaided teachers.
 - **Explanation:** In many institutions under Mangalore University, the management appointed Teaching staff working full time is paid a very meager salary of less than Rs 8,000 per month to Rs 12,000. In many states granting affiliation is tied to salary and other benefits to staff.
- Resolved to write and seek clarification from the commissioner with regard the right
 and scope of scrutiny of colleges by the In-charge Regional Joint Director (In-charge)
 while visiting the Aided colleges. Also resolved to protest against the abusive and
 threatening words used against aided college Principals and Teachers during his visit
 to colleges. Further it was resolved that AMUCT has no issues regarding the visit of
 In-charge JDCE to aided colleges.
 - **Explanation**: It was observed that the present in charge JD selectively asks for files of a few staff members of last 15 to 20 years and also the work dairies of a few staff members of last 5 years and seeks explanation for that period.
- Resolved to get clarification from the concerned authorities regarding the right of the In-charge Joint Director to forcefully occupy the Principals chair during his visit to the colleges.
 - **Explanation:** All the members felt that the Chair of Principal or any other Officer in any institution shall be occupied by that official only. The In-charge JDCE or any other official shall be provided a place of respect to sit in the institution and forcefully occupying someone else chair is unwarranted.

 Resolved to request the authorities to appoint only those Principals with at least minimum qualifications as prescribed under 2006 UGC order(Ph D with number of years of experience), as Regional Joint Directors of Collegiate Education.

Explanation: The letter issued by the Additional Chief Secretary, Dept of Higher Education, Govt of Karnataka addressed to the Commissioner of Dept of Collegiate Education, Banagluru, dated June 03, 2016, clearly states that even the In-Charge Principal of Aided Degree Colleges shall be appointed as per the UGC minimum qualification with Ph.D degree. Appointing a teacher without at least a Ph.D degree to the post of Regional Joint Directors of Collegiate Education certainly be not in tune with the above directives.

B: RELATED TO MANGALORE UNIVERSITY:

- Resolved to request the University to conduct supplementary examination to the failed students in 5th Semester (Odd Semester) along with 6th Semester (Even Semester) examination and also for 6th Semester failed students immediately after the announcement of the results, in selected examination centers.
- Resolved to request the University not to start central valuation work until all the answer scripts are supplied to the valuation centre.
- Resolved to urge the University to revise valuation remuneration, DA and other
 examination related payments to the teachers and non-teaching staff at par with other
 Universities in the state. Also resolved to urge the University to implement the changed
 remuneration from Oct/Nov 2017 examination.

In between the AGM and formal function AMUCT members held demonstration outside the venue and observed demand day as per the directions of AIFOCTO, demanding immediate implementation of UGC 7th Pay Review Committees Report.

The meeting was ended with vote of thanks by the General Secretary

Dr. Kumara Hegde B. A.

The tribute to Prof Jayarama Suvarna – Teacher of par excellence

For life and death are one, even as the river and ocean are one

- Khalil Gibran

Dr. A. P. Radhakrishna

Associate Professor & HOD Physics St.Philomena College, Puttur

Prof B. Jayarama Suvarna, Retired HOD Physics, St.Philomena College, Puttur passed away on 14.9.2017 at the age of 66. He was teacher of par excellence. Served as Physics lecturer at SDM College Ujire (1973-1982), then at St.Philomena College, Puttur (1983-2011). His was illustrious career of three decades. He was leader – teacher and inspired thousands of students to move in right direction. Actively involved in enumerable number of public activities. Popular not only among students and teaching fraternity, but also with general public. He was fondly known as BJS with student's community.

Prof Suvarna did early education at Board High School, Puttur, and BSc from St. Philomena College (1968-1971). He took active part in cultural programme and other activities during his school and college days. With distinction, he joined post graduate studies in Physics at Mansa Gangotri, Mysore University. Nuclear Physics was his specialization.

Prof. Jayarama Suvarna began his teaching career at SDM College, Ujire. Within short span, he created niche as excellent Physics Teacher. The friendly nature, rich voice, impeccable style of teaching, oratory skill and organizational capability made Prof Suvarna as the legend teacher. In 1983, Prof. Suvarna joined St.Philomena College, Puttur. From 1983 onwards, until his retirement in 2011, St.Philomena College was his Karmabhumi and he carved his name in the annals of the college as true legend.

I was his student as well as colleague in the Physics Department at St. Philomena College. We have close association which spans more than three decades. He served the College in

various capacity — as NSS coordinator, Students welfare Officer, Coordinator of Time Table committee, coordinator of Examination Committee. He was always a guiding force in organizing various programme in the College.

Prof Suvarna was Coordinator of NAAC steering Committee in St.Philomena, during the first (2003) and second cycle (2008) of NAAC peer team visit to the College. He did remarkable role in galvanizing various activities in the College and instrumental in getting "A" grade to the College.

Prof. Suvarna was actively took part in Association of Physics Teachers of Mangalore University from the day of its inception (1983). He served as secretary and President of APTMU.

Prof.Jayarama Suvarna had great capability in organizing the functions. He took lead role in organizing large number of public programme of cultural and social relevance - in and around Puttur. He was always the best as Master of Ceremony. Prof Suvarna was the most sought Master of Ceremony by various organizations.

After retirement, Prof Suvarna briefly worked at VidyarashmiEducational Institutions, Savanoor, and associated closely with Ambika Educational Institutions, Puttur and many other organizations. Actively involved himself with more vigour and zeal in activities and kept himself busy.

Sixty six is not the age to depart from this mortal world. But Prof. Suvarna succumbed to the brief ill health. He left behind his wife Sujatha, daughter Shipla and granddaughter Anvi, close relatives, large number of students and friends.

Turning Passion into a Profession

By **Prof. Joselyn T. Lobo**Former President of AMUCT
Dean, School of Social Work,
Roshni Nilaya, Mangaluru

Do you like interacting with people? Do you have the urge to help the disadvantaged and the underprivileged? If your response to the above questions is in the affirmative, welcome to the challenging and exciting profession of social work.

Social work as a career may appear a misnomer to many who equate social work to charity and philanthropy. Social work is a professional discipline that seeks to facilitate the welfare of individuals, communities and the society at large. Social work has emerged as one of the most demanding professions in India in the last few decades. It has become a body of knowledge, is taught as an academic discipline in institutions, and has a large number of people working in the sector.

As a social worker, you will provide services to people in all walks of life and in all kinds of situations. The range of settings in which you might serve is wide and varied. At some point in your career, you could serve in a child-protection agency, or aid couples whose relationships are faltering or help those addicted to alcohol and drugs. Besides, as a social worker, you can act as an advocate for persons who have experienced discrimination due to racism or sexism. You could also serve in a school system or a university counselling centre. You might counsel individuals suffering from mental illness or provide psychosocial services to persons dealing with physical illness.

You may function in a crisis intervention capacity for a suicide prevention service. You might work in a residential setting for youth offenders, a prison for adults, or a psychiatric

institution. Moreover, you might serve in an industry consulting with employers and employees about problems that affect their well-being and productivity. Such diversity is overwhelming.

Academics

To start a career in social work, you can enroll for the three-year Bachelor's in Social Work (BSW) programme and then pursue Master's in Social Work (MSW). In India, you can also directly opt for MSW if you are a graduate in any discipline. You can also opt for distance education programmes of the Indira Gandhi National Open University (IGNOU).

Since the establishment of Tata Institute of Social Sciences (TISS), Mumbai in 1936, institutes offering social work have mushroomed in India. As per estimates, there are over 350 institutes or departments offering social work education across the country, with Karnataka having the largest number (over 70).

An essential component of social work training at all levels is fieldwork. While classroom sessions provide theoretical knowledge, fieldwork enables learning-by-doing, a component essential for professional development.

Widescope

Since the field of social work is broad and varied, it has been categorised into four broad areas: working with communities, medical and psychiatric social work, working with families, women and children, and working with offenders. With regard to employment, the three broad avenues include the government sector, non-governmental organisations (NGOs) and international organisations. Professional social workers can be found in administrative, management and policy planning positions in various government departments and NGOs. International organisations also provide a number of opportunities in social work.

Social workers can find employment in various settings. In hospitals and health centres, social workers work in psychiatric wards, child guidance clinics and other areas of medical social work. They also play an important role in alcohol and drug de-addiction centres, remand homes, orphanages, old-age homes, family service agencies and palliative care institutions. In theeducation sector, social workers get employed as school social workers and counsellors. In community-related organisations, social workers carry out the roles of community organisers and field extension workers. In the corporate sector, human resource(HR) specialisation studentsget remunerative jobs as HR professionals and management consultants.

Aptitude

Social work calls for maturity in terms of understanding and thinking. You need to be able to rise above your personal preferences and prejudices and be ready to accept people for what they are. Social work is a rewarding career for those who have an interest in working with people, and in addressing social issues. The field depends on your aptitude and attitude and is for those who look for a career that brings greater meaning and satisfaction. A great amount of empathy, patience as well as the ability to participate in adverse situations is essential for this profession.

To sum up, social work is a growing profession today with career opportunities in various fields— from tribal to corporate sectors. The real satisfaction is being able to serve humanity and work for the underprivileged.

Press Release

"Jail Bharo (Court Arrest) Programme on 5th September (Teachers' Day) in Delhi."

New Delhi, 29th August, 2017;

The extremely successful observation of "Black Day" on 22 August, 2017 throughout the country after the historic gathering at Jantar Mantar ,New Delhi on July 24, 2017 against the apathetic attitude of the Central Government towards teachers and higher education of the country emboldened us to carry forward our "Jail Bharo Abhiyan" on Teachers' Day on September 5, 2017. The apathetic attitude of the present government with the stoic silence it is maintaining on the repeated pleas and protests of the teachers on various issues concerning their very basic and justified demands especially the publication of the 7 PRC recommendations is compelling us to move towards more forceful agitations, the start of which took place on July 24, 2017. The second stage of the agitation will be the 'Court Arrest' programme of September 5, 2017

which will again take place at Jantar Mantar in Delhi.

Today in a press statement issued here, AIFUCTO President and General Secretary Prof. Kesab Bhattacharya and Prof. Arun Kumar said "We have particularly chosen September 5, for our programme as the day carries special significance to all the teachers of the country. Former President Radhakrishnan, himself a teacher and academic had great regards and admiration for the teachers and understood the role of teachers in the making of the nation. It is to honor that great ethos that his birthday September 5 has come to be observed as Teachers' Day in

India". FEDCUTA (Central Universities) and AIFRUCTO(All India Retired teachers) have already extended full solidarity and support to the ongoing agitations of AIFUCTO.

They said that teachers and their demands had always been treated with priority and all former governments respectfully looked into the teachers' demands. Unfortunately we have reached a moment in our history when teachers are not taken into confidence either for drafting the education policy or something as important as the recommendation of the Pay Review Committee- an issue that directly affects their material well being. Educational institutes, university campuses, freedom of speech are severely throttled under the present regime. Vindication and terror tactics are openly used to silence the teachers. The central government , as inside reports suggest, refuses to invest liberally on education, citing it as additional expense. That is why the Finance Ministry wants to bear only 50% of the additional share of the burden that will emanate from the recommendations of the PRC. This again is in complete violation of earlier precedence of the central government meting out 80% of the increased share. This time we felt the government would agree in providing 100% assistance for the uniform and simultaneous implementation of the 7PRC. Against such a backdrop our slogan for the Court Arrest Programme will be" Save Education, Save" Teachers apart from highlighting other professional demands.

In the mean time AIFUCTO submitted a letter to PMO on 25th August , requesting the Prime Minister Shri Narendra Modi to look into the matter and to resolve the on going stalemate in favour of the teachers fraternity of the nation. We demand among other things uniform and simultaneous implementation of 7th UGC pay scale across the country for all categories of university and college teachers.

AIFUCTO expressed strong resentment over the attitude that MHRD shamelessly ignored the 7th UGC PRC recommendations submitted by Prof Chouhan committee and deliberately kept the report and its contents under cover from its stakeholders. The govt.has neither the regards to the democratic teachers' movements nor the apex Teachers' Organisations of the country like AIFUCTO and FEDCUTA.

It is unfortunate and painful that the undemocratic and authoritarian attitude of the government compelled the teachers working in HE sector to take recourse to drastic moves, something that could have been amicably settled through open dialogue between government

ಅಮುಕ್ತ್

and the stakeholders. We regret that government through its unsympathetic attitude thrust upon itself the Jail Bharo programme.

We appeal to all the teachers of the country, especially teachers of Central Universities in Delhi and universities and colleges in UP, Punjab, Haryana, HP, Rajasthan and MP to join the programme en masse and once again demonstrate our solidarity. Our unity and struggle remain the only way to resolve our issues.

AIFUCTO President and General Secretary threatened that if their demands would not be considered upto 5th September, eight lacs university & college teachers of the country have no option except to go on strike across the nation.

College Teachers Dharna to protest against inordinate delay in publication and implementation of UGC 7th Pay Review Recommondations

In response to the call given by All India Federation of University and College Teachers' Organisations (AIFUCTO) and Federation of University and College Teachers Associations in Karnataka (FUCTAK), the Association of Mangalore University College Teachers (AMUCT) will be holding a peaceful dharna in front of the Office of the Regional Director of Collegiate Education, University College Campus, Mangalore on Tuesday, 22 August 2017 at 4.30 pm.

The protest is to urge the Central Govt. to immediately publish and implement the recommendations submitted by the 7th UGC Pay Review Committee which is pending before the central cabinet and already delayed due to unknown reasons. The pay revision for University and College Teachers is due once in 10 years; accordingly it is due from 1st January 2016. Except University and College, almost all sections of central government employees and also many state government employees are getting the benefits of 7th Pay Commission. The demand also includes 100% funding from Central Govt to the State Govts for the revised scales. In continuation of the protest AIFUCT has planned court arrest programme on Sept 5th (Teachers Day) at Delhi. AMUCT President Dr. Ummappa Poojary P. and General Secretary Dr. B. A. Kumar Hegde in their press release requested the members to participate in large numbers.

Kindly publish this in your newspaper and Cooperate. also kindly send your reporter/photographer to report on 22nd for dharna at JD's office.

The board of members of the trust held its deliberations during the AMUCT Managing Council meetings held at the AMUCT office with fruitful resolutions in the good interest of the trust.

The funds of the Trust are invested in fixed deposit at the Teachers' Co-operative Bank Ltd, Mangalore branch. They are as follows;

 1. Seminar Fund Investment
 Rs 1,04,000.00

 2. Life Membership Fund
 Rs 1,43,000.00

 3. Teachers' Welfare Fund
 Rs 98,000.00

 4. General Maintenance Fund
 Rs 50,000.00

 Total
 Rs 3,95,000.00

The interest accrued in the above fixed deposit funds are transferred to the AMUCT account and utilised towards the activities of the AMUCT.

With deep sense of satisfaction, I express my whole hearted gratitude to all the Trustees, office bearers of AMUCT for their co-operation, guidance and support throughout the year. I seek the same co-operation and support in the future days also.

With regards

Circular No. 08/2016-17

2nd August, 2017

Friends.

Greetings,

At the very outset let us extend our sincere thanks and congratulations to all of you for making both the programmes i.e. 'Justice Day'on July 12 and rally and march to Parliament on 24 July, 2017 a grand success. We feel strengthened at the way our affiliates expressed their unity and solidarity. The movement witnessed teachers' solidarity rising to a level unheard of in recent times. The angst and exasperation of the teachers found expression in the huge turn up that took place at Jantar Mantar on July 24, 2017 followed by a march to Parliament Street. Teachers from all parts of India, from far flung North East to Gujarat, from Kanyakumari to Himachal Pradesh, assembled to protest against the apathy of the central government towards issues related to their basic livelihood demands and career options.Large turnup of teachers from neighbouring states like Punjab, Haryana, UP and Rajasthan helped turn the programme into a mega event. AIFUCTO felt emboldened to take up future struggles and fight at the zeal and enthusiasm of the young teachers. The programme saw teachers raising slogans in favour of 100% financial support of central government to states for uniform and simultaneous implementation of Seventh Pay UGC recommendations. The teachers vehemently protested and expressed their concern on the recent central government moves towards corporatisation, bureaucratisation and privatisation of higher education; attempt to do away with the UGC and other longstanding institutions, categorisation of universities etc. It was evident from the mood of the teachers present at the gathering on July 24, 2017 that they are appalled and feel insecure about the present state of affairs prevailing in the higher education and research in India. AIFUCTO felt reassured by the support teachers from all over the country once again reposed on it. The Delhi rally and march was a huge success in the face of a claustrophobic situation where teachers are being denied any support from the central government which is continuously engaged in creating anti-teacher and student unfriendly measures.

Support by Political Parties and MPs:

The rally saw many MPs and leaders of different political parties, expressing their concern for the teachers' cause. The MPS included D.Raja(CPI), A Sampath, CPI(M),Ali Anwar, (JDU), T. Meinya,(Congress), Prabhash Singh,(BJD), A V Swami,(Independent), Sadhu Singh,(AAP). CPI General Secretary Com. S.Sudhakar Reddy,Com.Nilotpal Basu Ex-MP and AITUC Secretary Com. Amarjeet Kaur also expressed their solidarity with teachers' struggle.AIFUCTO expresses its gratitude to FEDCUTA and AIFRUCTO for rendering full support and cooperation to the movement.

Meeting at Jantar-Mantar:

The meeting was presided over by AIFUCTO President Prof. Kesab Bhattachrya. AIFUCTO General Secretary Prof. Arun Kumar, FEDCUTA& DUTA President Prof Nandita Narayan, Prof. D.Kumar, Treasurer, AIFUCTO, Prof. G. Parthasarthy, GS, AIFRUCTO, Prof. Asok Barman, Prof. Tarun Patra, Prof. Shrutinath Praharaj, Prof. Vivek Dwibedi, Prof. Mahadeo Desai, along with all other important leaders from all the states addressed the gathering.

March to Parliament:

The meeting was followed by a march by the teachers to Parliament. Teachers of different states with their banners & posters started march to parliament at 2pm. They presented a real spectrum of unity in diversity of India. Participation of large number of women teachers were the main attraction of the Rally & March. Teachers were shouting slogans for publication and implementation of 7th UGC pay revision recommendations,100% financial assistance for uniform simultaneous 8 implementation, Regularisation of Temporary/Adhoc teachers, Scrapping of API and Extension of dates for RC/OC, Old pension scheme for all teachers, Removal of anomalies in 6th pay scale, No budget cut on education, Strengthen UGC & AICTE, Stop commercialisation, corporatisation and centralisation of education and regular dialogue with AIFUCTO and FEDCUTA. However the march could not be completed as teachers were stopped near parliament police station. The teachers sat on Dharna for two hours on the main road and addresses by dozen of teacher leaders were going on while a delegation comprising of Prof. Kesab Bhattacharya, Prof. Arun Kumar, Prof. Nandita Narayan and Prof. G.Parthasarthy met Shri K K Sharma, Secretary, MHRD and submitted a memorandum citing their demands.

NEC Meeting and Decisions:

AIFUCTO National Executive Committee met on 24th July, 2017 in evening at Gandhi Peace Foundation in New Delhi and expressed satisfaction over the historical rally and march to Parliament. NEC noted the massive presence of teachers from almost all states of the country and was overwhelmed by the support they lent to the programme. The NEC of AIFUCTO criticised the anti-teacher and non-academic attitude of the Government and criticised the HRD Minister for not sparing even half an hour time to

meet and hear the delegation. It was unanimously decided at the NEC that the agitation against central government would continue unabated.

Followings are the decisions taken by the NEC:

- 1. University & College teachers of the country shall observe "Black Day" on 22 August 2017. They will either sit on Dharna or take out procession in every state capital against the apathetic attitude of the government.
- 2. On 5th September, 2017, on "Teachers Day", teachers from all over India will assemble in Delhi for Court Arrest. Teachers in large number from every state will assemble at Jantar Mantar in Delhi.After meeting they will take out a procession for court arrest.AIFUCTO appeals to its affiliates / teachers from adjoining states of Delhi to turn up in large number for making the programme effective & successful.
- 3. After NEC, Secretariat of AIFUCTO discussed in details the different proposals for Statutory Conference of AIFUCTO to be held at the end of this year and finalised the proposal given by Savitriwai Phule Pune University & College Teachers' Organisation (SPPUCTO). The venue of the Statutory Conference will be at Shridih (Maharashtra).Other details of the conference with dates will be conveyed very soon after Organising Committee meeting.
- 4. NEC decided that in the meantime if any notification would come regarding 7th UGC pay scale, a meeting of AIFUCTO office bearers would be called immediately to analyse the notification and also to take appropriate decisions for future.
- 5. NEC also decided to grant affiliation to:
- a. Inder Kumar Gujral Punjab Technical University Welfare Teachers' Association, (IKGPTUWTA), Jallandhar (Punjab).
- b. Central Institute for Buddhist Studies Teachers' Association (CIBSTA), Leh-Ladhakh (J&K)

NEC once again expresses its gratitude for the full solidarity and cooperation extended by FEDCUTA and AIFRUCTO to our movement. AIFUCTO also extends heartfelt thanks to different political parties and trade unions for supporting AIFUCTO's agitation programmes.

Appeal for funds:

NEC makes earnest appeal to its affiliates/ members for sending struggle fund and membership for strengthening the agitation and struggle in future.

Friends, we are at a critical juncture. Government is trying all out to throttle the autonomy of higher education. It is the intention of the government to make complete centralisation of higher education and turn higher education a lucrative field of

investment of corporate capital, a move that will only deprive many students and teachers towards pursuing higher education. The changes are clearly aimed to put an end to the public funded education system in India. In such dark and gloomy times, our solidarity alone can help us achieve our legitimate demands and save Indian higher education from imminent collapse.

AIFUCTO once again appeals to its members/affiliates and teachers' fraternity to implement the decisions of NEC with utmost sincerity so that we can strive for a better future.

With warm regards and thanks,

Yours friendly,

Bhatshihaya

Sub: Whether regular teachers participating in RCs/OPs be treated 'On Duty' - Clarification regarding.

Sir,

This is to clarify that the regular teachers from the colleges/ universities participating in the Refresher Courses/ Orientation Programs etc. organized by UGC - HRDCs may be treated 'ON DUTY'.

Further, it is specifically conveyed that the period for which these regular teachers are participating in RCs/OPs etc. at UGC- HRDC's will be treated as 'ON DUTY' and not as on duty leave.

With regards,

Yours faithfully

Highlights of Minimum Qualifications for Appointment of Teachers in Universities and Colleges and Measures for Maintenance of Standards in Higher Education

Ph.D Degree will be mandatory for direct recruitment to Assistant Professors in Universities w.e.f. 01.07.2021- Shri Prakash Javadekar

Posted On: 13 JUN 2018 7:05PM by PIB Delhi

In order to attract and retain the best quality teachers and other academic staff in Universities and Colleges, the UGC has brought out new regulations. This was disclosed by Union Minister for Human Resource Development, Shri Prakash Javadekar while addressing media persons in New Delhi today. The Highlights of the Regulations are as below:

- 1. Incentives to teachers as provided in the earlier Regulations of 2010 and subsequent amendments have been retained. These include incentives for M.Phil/Ph.D.
- 2. API based PBAS System has been removed. A new simplified teacher evaluation grading system has been introduced and research score added for Universities to improve research output.
- 3. Promotion criteria under CAS for University teachers has been made more research oriented while in case of College teachers, CAS criteria is more focused on teaching.
- 4. For the first time provision for promotion in Colleges will be up to Professor level.
- 5. Special provision for recruitment of Assistant Professors in Universities and Colleges for Ph.D Degree holders from a University/Institution in the top 500 Global rankings has been made.
- 6. The Regulations mandate introduction of one month induction programme for newly recruited Assistant Professors in Universities/Colleges/Higher Education Institutions.
- 7. Ph.D Degree has been made mandatory for promotion to Assistant Professor (Selection Grade) in colleges from 01.07.2021. Ph.D Degree will be mandatory for direct recruitment to Assistant Professors in Universities w.e.f. 01.07.2021.
- 8. For the first time, weightages are assigned for CAS in respect of MOOCs and E-Content in Universities and Colleges.
- 9. Research clusters will be created in the Universities within the State for sharing research facilities, skills and infrastructure to ensure optimal utilization of resources and creating synergies amongst higher education institutions.

- 10. Up to 10% of the existing sanctioned strength of Professors in Universities shall be appointed as Senior Professors in the Universities. Senior Professors in Universities will be appointed through direct recruitment and through promotion under CAS.
- 11. Universities will accord permission and provide need based facilities to Colleges teachers to supervise Ph.D/M.Phil scholars.
- 12 Special category of medal winners in Olympics, Asian Games and Commonwealth Games in eligibility criteria for Assistant Director/College Director, Physical Education and Sports and Deputy Director, Physical Education and Sports in Universities has been made to promote sports in Universities and Colleges.
